Dear Supervisor Chavez,

Illegal immigration is destroying our nation. Every night I watch the news it should be called the "Latino Crime Report" as almost all violent crimes, kidnappings, carjackings, muggings, robberies, and home invasions are done by these barbarians who bring their lawless and violent crimes with the Supervisors blessings for a few lousy votes. You illegally give them social benefits that they are not entitled to. Most of the illegals are young girls with several children which means more generational welfare and Social Security thieves

When I go to the Social Security office it is filled with immigrants, illegal and legal, and the County Hospitals make you feel like you are in Mexico. They bring their diseases with them (tuberculosis, measles, parasites, etc. and infect us and our children with them.

It is time you stop violating Federal Law before we lock you all up!

Serve legal citizens. Deport all illegal immigrants without exception.
